

# Gunnebo Centurion-DD

## Certified burglary-resistant vault door with integrated emergency door, Grade V

- This door is the result of the combination of a reinforcement composite and a newly developed high-strength concrete
- Main door is secured by 7 active front bolts and 2 re-lockers
- Emergency door is secured by 3 active front bolts, 2 active top bolts & 2 bottom bolts
- Each bolt is 30 x 30 mm
- Combines high resistance with emergency access, without any loss of performance or compromising on ergonomics
- Certified by ECB•S and awarded the EN 1143-1 certification for burglary resistance as a grade V
- Designed to equip strong rooms or secure areas such as jewellery shops, retail sites, luxury workshops

# Gunnebo Centurion-DD
